APGO EDUCATION FOUNDATION TO BE AT PDAC 2019 IN BOOTH #0851

February 26, 2019, Toronto, Ontario: The APGO Education Foundation (“the Foundation”) is pleased to announce that it will again be exhibiting at the 2019 Prospectors & Developers Association of Canada (PDAC) Convention, at the Metro Toronto Convention Centre, in Toronto, Ontario. The convention will take place from Sunday, March 3rd until Wednesday, March 6th. The Foundation will be in Booth #0851 with the Association of Professional Geoscientists of Ontario (APGO) in Trade Show South.

The Foundation is excited to showcase new developments to its website, GeoscienceINFO.com. This site provides accurate, current information about geoscience, with an emphasis on Ontario, and is aimed at the public, teachers, and students. We have improved our Virtual Field Trips, which feature online field trips of locations across Ontario in GoogleMaps™. These trips now feature a detailed bedrock map of Ontario*, adding a geological perspective to our trips. In addition, we have added 360° photos, improving your online experience. Presently we have 14 field trips across Ontario with plans to add more this year. Please come join us and learn more about what we are doing and our plans going forward!
